US 41/WIS 29 County J Structures & County RK (S Frontage Rd) West

Schedule: June 2011 to August 2012

Location: WIS 29/County J and WIS 29 South Frontage Road, County J to Duck Creek

Description: Work consists of building new structures along WIS 29 at County J with aesthetic details and under deck lighting; reconstructing County J from Berkshire Drive to Shawano Avenue to go under WIS 29 with street lighting, sidewalks, and plantings; constructing a single lane roundabout at the intersection of County J and new County RK (South Frontage Road); and constructing a new urban roadway (County RK) with sidewalk along the south side of the roadway, street lighting, and plantings.

Traffic Impacts: This project is complete.
