Schedule: May 2013 to October 2013

Location: US 41 causeway from WIS 21 to US 45 Interchange.

Description: The work on the Lake Butte des Mort Causeway will include plantings, kiosks, informational plaques, concrete sidewalk, walls, railings, and solar powered lighting.

October 14 to October 18: Excavation was completed and planting mix and mulch were added in the WIS 21 median in preparation of plantings next week.

October 21 to October 25: Work on overlook railings should be completed with the installation of the wood caps. The 54-Inch railing will be finished this week. Aluminum plaques should be installed. Punch list items will be worked on. Plantings on Washburn Ave and in the WIS 21 median from US 41 to Koeller Street will be completed this week.

Traffic impacts: Traffic will be reduced to one lane in the westbound direction on WIS 21 from the US 41 northbound ramps to 1000 feet east of Koeller Street from 9:00 a.m. to 3:00 p.m. Monday thru Friday.
