

US 41 – Mainline (US 45 to Breezewood Lane)

**Schedule:** March 2011 to June 2013

**Location:** US 41 to US 45 Interchange to Breezewood Lane

**Description:** The project is entering the final stage of construction. Crews will be working to install permanent concrete barrier wall, rumble strips, permanent pavement markings and other minor items of work. All work is expected to be complete by June.

**May 20 to May 24:** Crews will be working on a culvert repair on the outside of US 41 northbound on Old Dixie Road this week. Crews will be on site constructing asphalt pavement pads for the state patrol and county law enforcement at various locations on the outside shoulder of northbound and southbound US 41 this week.

**Traffic impacts:** There will be shoulder closures in conjunction with the work this week. All travel lanes will remain open.
