

Mason Street Interchange and 9th Street to Larsen Road Mainline - US 41 major

Schedule: September 2011 to October 2012

Location: Mason Street Interchange and US 41 Mainline from 9th Street to Larsen Road.

Description: This project will reconstruct the Mason Street Interchange with new ramps, bridge over US 41, roundabout ramp terminals, and retaining walls. The project also includes the complete reconstruction of the US 41 mainline through the Mason Street Interchange vicinity, from just south of 9th Street to just south of Larsen Road. Mainline includes the paving of mainline to the ultimate roadway section including the replacement of the 9th Street bridges, box culverts, retaining walls, and storm sewer. The project further includes the razing and removal of the Allied Pool building and subsequent construction of a detention pond on that site.

November 12 to November 23: Minor Punch List work will continue until complete.

Traffic impacts: US 41 and Mason Street are open to traffic; traffic is in the final project position. No new traffic impacts are anticipated.
