

**Schedule:** May 2015 to June 2017    **Location:** Brown County from Memorial Drive to Duck Creek and from Atkinson Drive to I-41

**Description of project:** This project consists of the reconstruction of the southbound lanes of I-41 from Memorial Drive to Duck Creek. Portions of I-43 will also be reconstructed from Atkinson Dr. to I-43/41 interchange. The Velp Interchange will also be reconstructed.

**October 24 to October 28:** Complete all pavement marking on I-41. Complete planting of trees and final landscaping along Wietor drive and the bike path. Remove asphalt and prep Island Ct. for final surface pavement. Pave final asphalt surface layer on Wietor Drive, Island Ct. and Hurlbut Street. Continue final restoration and landscaping project wide in preparation for winter shutdown.

**October 31 to November 5:** Begin work on final shoulders on Wietor Drive and the bike path. Complete final restoration and landscaping project wide in preparation for winter shutdown. Clean up shoulders of northbound and southbound I-41 and remove all traffic control devices.

**Traffic impacts:**

- Single lane closures of northbound I-41 will be experienced nightly from 8 p.m.- 5 a.m. (Mon-Thurs) and 9 p.m.- 9 a.m. (Fri)
- Single lane closures of southbound I-41 will be experienced nightly from 7 p.m. - 5 a.m. (Mon-Thurs) and 8 p.m.- 9 a.m. (Fri)

- Eastbound WIS 29 to northbound I-41 ramp will be closed the night of October 19.
