

Schedule: September 2015 to November 2016 **Location:** Town of Menasha

Description: Work on this contract consists of common excavation, borrow, construction of overhead sign structures, base aggregate, concrete pavement, asphalt pavement, erosion control, storm sewer, an 8-span pre-stressed concrete girder bridge on US 10/WIS 441 over I-41, traffic control, and all incidentals required to complete this work.

October 24 to October 28: □ The contractor was to complete work to place concrete for the new eastbound US 10 pavement between the new bridge over I-41 and the new bridge over Little Lake Butte des Morts. The contractor was to complete work to pave the asphalt for the left shoulder along the new eastbound US 10 pavement. The contractor was to move barrier wall and install pavement marking in preparation for switching eastbound and westbound traffic onto the new pavement and new bridges over I-41, the Wisconsin Central Railroad, and Little Lake Butte des Morts. The contractor was to finish installation of beam guard at the northwest corner of the new bridge over I-41.

October 31 to November 4: □ The contractor will remove existing westbound US 10 pavement, grade and place base aggregate to tie in the new temporary ramp for westbound US 10 to southbound I-41. The contractor will finish placing asphalt pavement for the new temporary westbound US 10 to southbound I-41 ramp. The contractor will install pavement marking for the new temporary westbound US 10 to southbound I-41 ramp in preparation for opening the ramp to traffic.

Traffic Impacts: □ Throughout the duration of the project, there will be various shoulder closures along I-41, US 10/WIS 441, and all applicable ramps to allow the contractor to work adjacent to these areas. These lane and ramp closures as needed, will either be at night or during non-peak hours throughout the project, so please continue to use caution.

- The existing westbound US 10 to southbound I-41 ramp will close Friday night, October 28 at 7 p.m. The new temporary westbound US 10 to southbound I-41 ramp will open Monday morning, October 31 at 6 a.m.

- Friday night, October 28 there will be a full closure of US 10 westbound between Racine Road and Goldspring Road to reconfigure traffic and shift westbound traffic onto the new bridge over I-41 and the new bridge over Little Lake Butte des Morts. The closure will begin at 9 p.m. and westbound US 10 will re-open at 6 a.m., Saturday morning, October 29.
