

A beautiful new causeway

Originally opened in 1955, the Lake Butte des Morts Causeway was in need

Improvements include:

- Three through-lanes and an auxiliary lane in each direction
- Lights that span the entire causeway
- A bike and pedestrian recreational trail across the causeway, located east of the northbound lane

Tribal Heritage Crossing of the Wiouwash State Trail

The Tribal Heritage Crossing of the Wiouwash State Trail has been one of the highly-anticipated projects in the area. This multimodal path provides access to fishing, as well as interpretive displays for all 11 of Wisconsin's tribes.
