

TRANSPORTATION MANAGEMENT PLANNING

Transportation management plans (TMPs) are important because they determine how construction will be staged and what strategies are needed to keep traffic moving through the construction zone. Ultimately, the goals of a TMP are to reduce crashes and improve safety and mobility for workers and the public while minimizing delay and providing traveler information.

FUTURE OPPORTUNITIES FOR BUSINESS GROUP MEETINGS

WisDOT will continue to hold business group meetings throughout the project's duration to keep businesses informed. In 2011, meetings for the County G (Main Avenue) Interchange area are scheduled for the following milestones:

- TMP update meetings (County G [Main Avenue] Interchange) - summer, winter 2011
- Preconstruction meeting (Mid Valley at County F [Scheuring Road] and County G [Main Avenue]) - summer 2011

SCHEDULE A WORKSHOP WITH WISDOT

US 41 Project staff are available to attend small-group workshops with interested businesses. These workshops can be held at your business or at WisDOT offices and can be geared toward your specific questions and needs. Please contact Kris Schuller if you are interested in scheduling a workshop.

RESOURCES FOR BUSINESSES DURING CONSTRUCTION

WisDOT has created the "US 41 Project: In This Together" kit to help businesses that may be impacted by the project. The kit contains items such as a supplier letter, advertisement templates and other communication pieces for local businesses designed to help connect customers with businesses throughout the construction process.

You may access these resources on the project Web site at www.US41wisconsin.gov.

CONTACT INFORMATION

For additional information, please contact one of the following staff members:

Chad DeGrave
US 41 Project Manager - Brown County
(920) 492-4112

944 Vanderperren Way
Green Bay, WI 54304

WELCOME to the US 41 PROJECT

County G (Main Avenue) Interchange BUSINESS GROUP MEETING

St. Norbert College – F.K. Bemis International Center
Room 20 (Lower Level)
September 29, 2010 from 7 a.m. to 9 a.m.

MEETING PURPOSE

The Wisconsin Department of Transportation (WisDOT) is hosting the first business group meeting for the County G (Main Avenue) Interchange. The purpose of the meeting is to:

- Establish communication between WisDOT and the business community
- Communicate transportation management plan (TMP) goals and TMP planning process
- Provide overview of design, construction staging and construction timelines
- Provide businesses with first hand information about project milestones
- Identify needs and concerns before construction
- Request feedback on and identification of potential TMP issues

WisDOT will continue to hold business group meetings throughout the duration of the project to keep businesses informed about key milestones. WisDOT will also host similar meetings with other interchange areas.

MEETING FORMAT

Today's meeting will run from 7 a.m. to 9 a.m. A presentation will begin at 7:15 a.m. You are welcome to view exhibits and speak to project staff. Current design plans and construction schedules for the County G (Main Avenue) Interchange will be available for viewing. Also, please stop by the roundabout table to learn some important driving tips about roundabouts.
