Business group meeting: 7:30 – 9 a.m.

Brief presentation at 7:45 a.m.

Public meeting: 5 – 6:30 p.m.

Brief presentation at 5:15 p.m.

Meeting purpose

The Wisconsin Department of Transportation is hosting business and public meetings to present construction and closure information for the I-41 corridor in 2016. The meeting will provide updates on:

- Long-term ramp closure at the Velp Avenue, I-43, and WIS 172 interchanges.
- Upcoming 14-day closure of the northbound off-ramp to Waube Lane/Oneida Street.
- Update on current construction and upcoming 2016 construction activities in the south and north segments.
- Information regarding business signing during construction.
- Full closure of the Velp Avenue interchange (August 2016, 60-days).

Meeting format

Today's business group meeting will be from 7:30 to 9 a.m. with a brief presentation at 7:45 a.m. Today's public meeting will be from 5 to 6:30 p.m. with a brief presentation at 5:15 p.m. Please review the project displays, and feel free to speak with project staff about questions or concerns. Meeting materials including displays will also be available on the project website. See back page for website and contact information.

What to expect in 2016

Construction along the I-41 corridor in Brown County will continue to be in full swing, and major construction activities are expected wrap up in late 2016. WisDOT is staging construction to minimize traffic impacts, but short-term and long-term closures will be required to reconstruct the interchanges. Closures are noted below and on maps located to the right.

Closure timeframes and durations are subject to change; please see contact information on the back page to stay informed during construction. Please also see meeting exhibits for details on alternate routes and detour routes.

1 Mainline I-41

March 2012 through December 2016

Mainline segment under construction in 2016: Glory to 9th; Memorial to Lakeview

Reconstruction of I-41 mainline and structures.

The I-41 mainline will have two lanes of traffic in each direction with reduced shoulders and lane widths, nighttime lane restrictions and/or ramp closures.

2 I-43 Interchange

September 2013 through September 2016

Reconstruction and improvement of the system-to-system interchange.

The following ramps are CLOSED and will re-open in September 2016: southbound I-41 to southbound I-43; northbound I-43 to southbound I-41. Intermittent nighttime lane and ramp closures will occur throughout 2016.

3 Velp Avenue Interchange

February 2015 through October 2016
(Preliminary work began in 2013)

Reconstruction of the Velp Avenue interchange.

The southbound I-41 exit ramp to Velp Avenue is CLOSED and will re-open in October 2016. The Velp Avenue interchange, including the intersection of Velp Avenue and Memorial Drive, will CLOSE for 60 days between August-October 2016. Intermittent lane and nighttime ramp closures will occur throughout 2016.

**4 Lombardi Avenue
Morris Avenue
Cormier Road
Parkview Road
Glory Road**

August 2013 through fall 2016

Reconstruction of the I-41 bridges over these local roads.

Cormier Road and Parkview Road will CLOSE for 14 days in 2016 under I-41 to reconstruct local roadways. Morris Avenue will CLOSE for 7 days and Glory Road will CLOSE for 10 days. Morris and Cormier will not be closed concurrently. Shoulder closures intermittent in 2016 on all local streets. Lane restrictions may occur.

5 WIS 172 Ramps

August 2013 through fall 2016

Reconstruction of WIS 172 ramps and I-41 bridges.

The eastbound WIS 172 to southbound I-41 ramp will CLOSE for approximately 30 days; the eastbound WIS 172 to northbound I-41 ramp will CLOSE for approximately 14 days; southbound I-41 to westbound WIS 172 ramp will CLOSE for 14 days. Intermittent nighttime lane and ramp closures will occur throughout 2016.

6 Waube Lane/Oneida Street Interchange

August 2013 through fall 2016

Reconstruction of Waube Lane/Oneida Street and the interchange.

Interchange and Waube Lane/Oneida Street will remain open during construction with intermittent lane and ramp closures. The I-41 northbound off-ramp to Oneida Street will close for approximately 14 days in 2016.

= Traffic impacts

Construction schedules are subject to change. For the latest information visit us41wisconsin.gov.

The I-41 Project is scheduled for completion in 2016.

Schedule a workshop with WisDOT

I-41 Project staff can attend small-group workshops with interested business owners and operators. The workshops can take place at the business location or at a WisDOT office, and the content of the workshop can focus on specific questions and needs. Please contact Melissa Kok to schedule a workshop.

Highway business signs

Before construction, businesses were advised to form associations or committees to coordinate the development of business signs and identify proposed sign locations. As construction progresses, businesses may choose to move their temporary business signs to accommodate changes in traffic patterns.

A business permit is required for the placement of new signs, and approval is required if signs are moved to a new location. Please contact Eric Gwidt (920-366-8896) at the I-41 Brown County Project Office with your permit applications and approval requests.

Applications are available online at www.us41wisconsin.gov/resources/business-resources.

Resources for businesses

WisDOT created the “In This Together” kit to help businesses that may be impacted by the project. For more information visit www.us41wisconsin.gov/resources/business-resources.

I-41 Project outreach

Business owners and operators and the public can learn about upcoming meetings; sign up to receive project updates; and view presentations, exhibits, handouts, and other resources on the I-41 Project website: www.us41wisconsin.gov/resources/past-business-group-meeting-resources/2015-resources.
