

US 41 Witzel Avenue Overpass: Preliminary Work

Schedule:

August 2009 to September 2010

Location:

Washburn Street, Witzel Avenue, Koeller Street, and Rath Lane

About the US 41 Project:

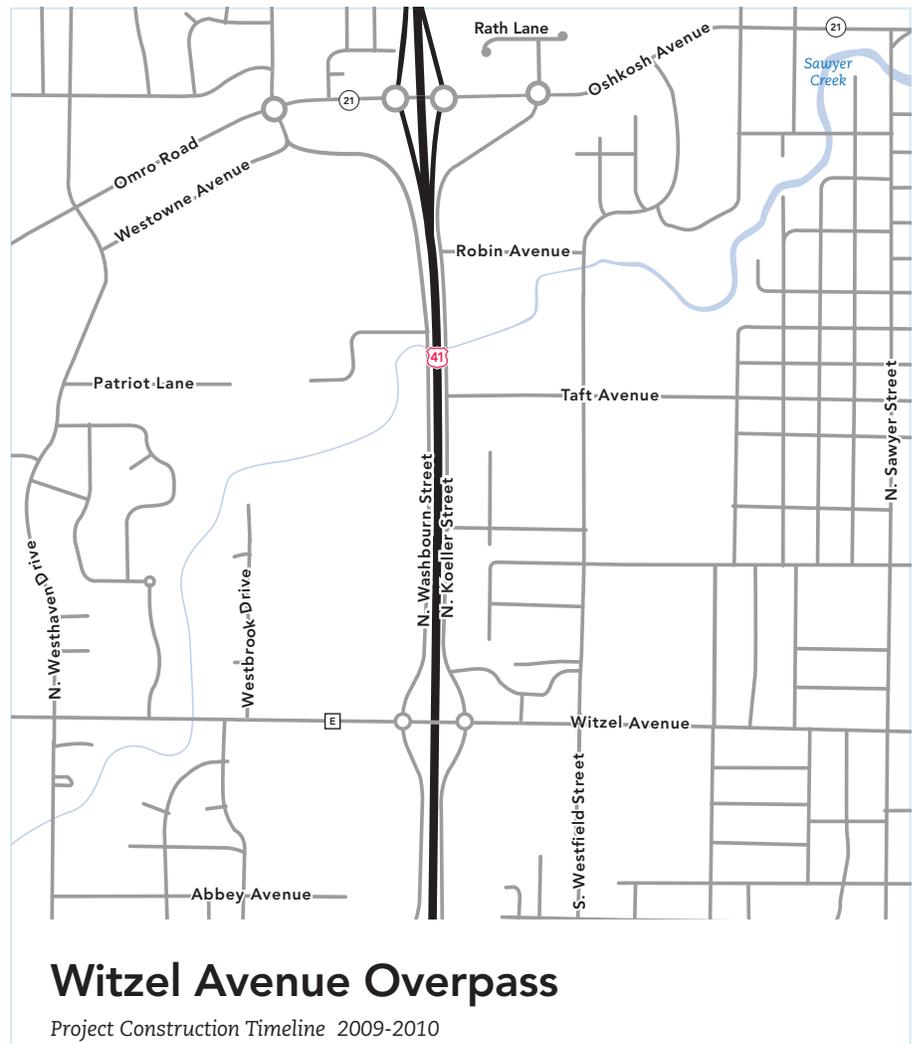

Construction work on the US 41 Project will span over 17 miles of highway in Winnebago County from 2009-2016, and 14 miles in Brown County from 2010-2016.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at www.US41wisconsin.gov
- Call the project hotline at: (920) 492-4120

This project is now concentrated on the reconstruction of the **Witzel Overpass** over **US 41**, and the construction of two roundabouts and three retaining walls at the **Witzel/Washburn** and **Witzel/Koeller** intersections. Demolition and reconstruction of the bridges on **North Koeller Street** and **Washburn Street** over **Sawyer Creek**, the realignment and reconstruction of **Rath Lane/North Koeller Street** and the reconstruction and realignment of the **Washburn Street** frontage road are now complete.

From May to September of 2010, the east half of **Washburn Street** will be constructed to concrete pavement between Fleet Farm and Sawyer Creek.

Traffic impacts: Northbound and Southbound **US 41** traffic may be impacted by lane closures at night due to the **Witzel Avenue** bridge construction. Traffic on **Washburn** and **Koeller streets** will be inconvenienced by the construction of roundabouts at **Witzel Avenue**, as well as possible flagging instances for various construction operations.
